Resilience Honesty Respect Responsibility Aim High Team Spirit

Student Of The Week

7LA	M.Mortimer	10RH	L.Evans
7SA	H.Paternoster	10RF	R.Warburton
7CB	M.Davies/T.Bright	10SC	E.Molyneux
8MS	L.Winstanley	11GG	No Student Of The Week
8AC	A.Hardman	11RS	E.Cox
8LQ	A.Heaps		
9JO	C.Whitmarsh		
9L	C.Tildsley		
6 th Form Student Achiever Of The Week – J.Halfpenny-Bell			

Ashley Action!

Award for Class Attendance Congratulations to 8LQ, who had a perfect attendance record! They will receive £5 as part of their reward, which they can use for their class party at the end of the year and donate the remaining £5 to a charity of their choice. This will apply to all form groups in school.

Narrowboat Trip Students' spirits remained high during our yearly narrowboat trip, even with the unfavourable weather. In addition to opening and closing locks and assisting with boat steering, students enjoyed the picturesque surroundings of Cheshire. After that, the students relaxed in the evenings with takeaways and social games.

9JO have been working really hard on the topic of place value this week. They have been using the place value counters and base 10 to model the numbers and solve number problems. Brilliant work from the boys!

Fairtrade Fortnight Another Fairtrade Food Technology lesson for 8MS. This week they have made Rocky Road using Fairtrade chocolate, fruit, biscuit and marshmallows.

International Day of Charity Students have researched different charities in the UK and abroad and have designed posters to display their charity. Here is Jamie from 9JO with his poster of Alder Hey Children's Charity.

Due to a printer malfunction, 11RS completed a rather **BIG** test this week as they finished the topic of probability.

9JO have been reading and writing numbers up to 1,000,000 this week. They have then been recalling their knowledge and writing numbers out in roman numerals.

Piggy bank update Well done to all of 8MS on your finished Papier-mâché piggy banks. These bright and cheerful piggy banks look great and can help to educate our students on how to manage money.

Skills Builder Challenge – Creativity

Imagine you are a designer for a car company. You have been asked to come up with ideas for a brand new range of cars/vehicles that are environmentally friendly. You should generate ideas and design at least two different types of car (for example, a sports car, pick-up truck, luxury car, convertible, electric car). You could: Draw the different cars, making sure the drawings include specific features, Label the features of the car and Highlight what makes these cars better for the environment.
