Ashley Action!

Amy, one of our talented Year 10 students rose to the challenge in her assessment, whipping up a stunning red velvet cake that was as delicious as it was beautifully presented.

8CP took part in a Philosophy for Children (P4C) discussion, using Mr Briggs and Mrs Kay from Our Day Out to debate what makes a good teacher. Developing their critical, creative, caring, and collaborative thinking, everyone shared ideas clearly and listened with great respect. Well done, 8CP!

In P4A, 8CP have been exploring volunteering and charity work, leading nicely into preparing a charity shoebox appeal. Showing fantastic teamwork, the class collaborated on gifts, designed Christmas cards, and wrapped and packed their box. Well done, 8CP—we're so proud of your thoughtfulness.

7LA cooked up some serious creativity by baking custom pizzas and designing matching packaging. After crafting their toppings, students branded their boxes with catchy slogans and unique logos.

A huge well done to our 6th Form and 10LQ students for raising money for the Poppy Appeal. Thank you to everyone who supported them!

Year 7 Careers Visit: Huyton Travel Year 7 enjoyed a fantastic visit from Huyton Travel as part of their Preparing for Adulthood curriculum. Students explored different roles within the transport industry, asked great questions and even got to sit in the driver's seat! A huge thank you to Huyton Travel for inspiring our students.

Learning to Stay Safe Online We were pleased to welcome Chris Hull from Cheshire Police into school to speak with our students about cyberbullying and online safety. Students engaged brilliantly, asking insightful questions about responsible digital behaviour and how to seek support if something goes wrong online. We encourage you to continue these important conversations at home by chatting with your child about the apps and games they enjoy. Well done to all students for their maturity and focus.

Skills Builder Challenge – Speaking

Imagine you are campaigning to be your country's leading politician. How would you make the country a better place to live? What laws would you introduce? What problems would you tackle? Create a speech to persuade family members to 'vote' for you.
