### Ashley Action!

**Year 9 and 10 Visit the Cheshire Show** Year 9 and Year 10 students recently enjoyed a brilliant day out at the Royal Cheshire Show. Swapping the classroom for the countryside, they explored everything from prize-winning livestock to the latest innovations in agricultural technology. It was a fantastic opportunity to see science and geography come to life while discovering diverse career paths in the rural sector. As always, our students were fantastic ambassadors for the school—and thoroughly enjoyed sampling the local food halls!

**Celebrating Year 11 and 6<sup>th</sup> Form Leavers** We recently celebrated our wonderful Year 11 and 6<sup>th</sup> Form students as they marked the end of their school/college years. Year 11 enjoyed a fantastic leavers' meal at The New Albion in Widnes, while our 6<sup>th</sup> Formers headed to The Hive for a fun afternoon of bowling and McDonald's. It was the perfect way to reward all of their hard work. We wish them all the absolute best of luck in their next chapters!

**Year 10 Construction students** put on their hard hats and high-vis jackets for an exciting tour of our brand-new school building. Led by the project management team, students explored the live construction zone and learnt about structural design and safety protocols. It was an inspiring look at the future of our school—and a fantastic glimpse into real-world career paths for our talented future builders!

**Animal Care Students Master Rooster Care** Animal Care students got some incredible hands-on experience learning how to care for a live rooster. Students rolled up their sleeves to conduct health checks, manage his specific nutritional needs and maintain a secure, clean habitat. It was a fantastic, fast-paced lesson in real-world livestock management and flock care!

### Skills Builder Challenge – Staying Positive

Either write down or draw a picture showing what Staying Positive means to you. For example, it could mean someone managing their emotions following a setback, or looking on the bright side of a difficult situation.
