Week

## Ashley Action!

**Year 9 students** took part in a virtual careers lesson with the NHS to find out more about the different jobs available. Students had the opportunity to speak to an occupational therapist and doctor about their jobs and participated in a quiz all about the NHS. The students were the first group in our school to experience talking to employers virtually and they engaged extremely well. We will be undertaking similar sessions with other year groups next term.

**As part of** their Geography lesson, 7SA have been out in their local area looking for physical and human features and land use in the area.

**Well done to students** who have been in the green zone for the last 7 days on DoodleMaths:

J.Clarke/W.Parkinson/L.Roberts/M.Vickery/C.Burrows/C.Priestley/K.Darley/R.Hughes/K.Wood/A.Lynskey/C.Musa/J.Macko-Pearson/E.French/M.Hesketh/O.Johnson/C.Vickery

**A special thank you** to one of our very talented year 9 students Liam, for making this beautiful, personalised bauble for our Christmas Tree.

**A reminder to parents** that it is essential they keep their child off if they are showing symptoms or someone in their household is showing symptoms of Covid.

## And Finally...

Please keep checking the website and Facebook page for any updates. Stay safe.

Please keep familiarising yourselves with the Covid-19 Absence; A Quick Guide for Parents. This can be found on the school website and newsletter link page.
