23<sup>rd</sup> October 2020

## Ashley Action!

**Year 8 students** have produced a delicious continental breakfast in their food technology lesson this week. Students learnt that a continental breakfast is a light morning meal typically consisting of pastries and baked goods, fruits, toast, coffee and hot chocolate.

**Another productive week** for the Year 11 Gardening Group. Students have worked hard filling the big planters with top soil, tidying, and brushing the weeds away. Well done, you have worked very hard!

**Celebrate United Nations Day** On October 24, 1945, 51 countries came together to create the United Nations, or the U.N. Its purpose was to promote peace and cooperation around the world. Today the United Nations is an organization made up of 193 countries, almost every nation in the world!

**Do not forget** to put your clocks back this weekend! We hope you have a lovely half term break and stay safe. School will re-open on Monday 2<sup>nd</sup> November 2020.

**Another reminder** to familiarise yourselves with the Covid-19 Absence; A Quick Guide for Parents. This can be found on the school website and newsletter link page.

## And Finally...

Please keep checking the website and Facebook page for any updates. Stay safe.
