FREE NHS EYE CARE SERVICE

AT YOUR CHILD'S SCHOOL OR COLLEGE

We bring expert eye care to children and young people with additional needs, helping them see more clearly, learn confidently and experience the world to the fullest.

NHS Eye Test

Comprehensive eye examination every year

NHS Glasses

Provided at school from a range of 200+ frames

No cost to families

This is a completely FREE NHS service

No need to visit a high street optician

We come to your child's familiar environment

28X

Children with learning disabilities and autism are 28 times more likely to have vision problems.

COMPLETE CONSENT FORM

Scan QR code or click the link below.

<https://wondersight.jotform.com/form/nw-cm-consent>

Your consent helps us provide the best care for your child.

CONSENT FORM

Parents and carers are welcome to attend the appointment.

FREE NHS GLASSES WHAT'S INCLUDED?

- Range of over 200 specialist children's frames
- Anti-reflective coating
- Thin lenses where clinically required
- Professionally fitted at school
- Unlimited repairs and adjustments
- Unlimited replacements if changed/lost/broken*
- NHS voucher available if you prefer to use your chosen high street optician

**Subject to NHS Optical Voucher regulations.*

Already Seeing a High Street Optician?

That's absolutely fine.
If you choose to use the WonderSight NHS School Eye Care Service, your child's NHS-funded routine sight test can be transferred to our specialist school service.

A child can only receive one NHS-funded routine sight test at a time.

NORTH WEST C&M

YOUR CHILD'S JOURNEY

1

Complete Consent & Questionnaire

You provide important information about your child's health, medical history and education needs.

2

Specialist Eye Examination

Our SEND-trained team carries out the eye test using methods suited to your child, in their familiar environment.

Parents/carers are welcome to attend.

3

Comprehensive Assessment

We assess vision, eye health, eye movements, focusing, binocular vision, functional vision and whether glasses are needed.

Eye drops may be used (if needed and consented) to fully examine the back of the eye.

4

Plain-English Report

You'll receive an easy to understand report with:

- Results
- Prescription (if required)
- Classroom advice
- Home advice
- Referral information (if required)

5

Glasses (if needed)

FREE NHS glasses provided at school from our range of 200+ frames.

Or use your NHS voucher at your preferred high street optician.

Clinicians are:

- ✓ DBS Enhanced Checks
- ✓ GOC Registered
- ✓ Adult & Children Safeguarding Level 2
