8MS	W.Jones	11L	E.Stanley
8CB	L.Maxwell	11RS	C.Boow
9JO	M.Cole		
9KD	The Whole Class		

Ashley Action!

MyBnk visited Year 12 students again to discuss banking and being informed. Students learned about savings and current accounts and how banks work? Students could look at wage slips and bank statements and learn about things that they can look out for.

6th Form got involved in a discussion about Young Minds and why we were raising money to help. Students discussed the stigma around mental health and that it is ok to talk to someone if you are not feeling yourself. 6th form also worked extremely hard raising money for the charity by washing staff cars.

Home Cooking Skills Josh in Year 10 has completed one of his dishes as part of his coursework about planning and cooking a 2 course meal. Josh made delicious Garlic Bread as part of his starter for his 2 course meal.

Students from Year 10 participated in the Merseyside schools' bowling championships. You all performed a fantastic job. Each of us is incredibly proud of you. High school students participated in and won a bowling competition.

Skills Builder Challenge – Teamwork

Think of a time when someone has helped you complete a task. Write a 'thank you' card to express your appreciation.
You could include: what they helped you with, why it was useful and how it made completing the task easier or more fun.
