18<sup>th</sup> December 2020

## Ashley Action!

**Important information** - For the first 6 days after the end of term (Friday 18<sup>th</sup> December), school has been asked to work these days and support the Track and Trace system. We will be responding to parent emails informing us of positive COVID test results. If your child tests positive for coronavirus (Covid-19), then parents are requested to contact the school immediately via the school email address: [ashleywidnes@gmail.com](mailto:ashleywidnes@gmail.com) Please give your child's name, date symptoms started and date positive test result was received. The school will then identify any children that have been in close contact in school to the affected person in the last 48 hours from the onset of their symptoms. The parents of these children will be contacted and advised that their child needs to self-isolate for 10 days from their last contact with the positive case. The emails will be checked daily. After the 24<sup>th</sup> December, we will not contact you asking your child to self-isolate due to close contact at school. However, should your child or a family member test positive after this date, you still need to inform school via email so that we can advise you of your child's return date in January following the appropriate length of self-isolation. Thank you for your understanding and co-operation in this matter.

**Chloe in Year 14** displayed the true message of Christmas by donating £50 of toys to the Halton Toy Appeal. Chloe was the winner of the £100 raffle and bought toys for local children. Thanks to Paul, the manager at B&M, who donated an elephant and gave 10% discount.

**Students have enjoyed** designing and making Christmas cake decorations. Students practised model making skills, simple piping techniques, as well as rolling, cutting and smoothing sugar paste icing. Some great ideas!

**Please see the newsletter** link page for information on HHS Healthy School News For Families December 2020.

**Year 12 students** have worked very hard this week to assemble a greenhouse as part of the NCS programme that they have taken part in. students are hoping to grow a range of plants and vegetables and set up a mini enterprise.

**The students and staff** at Ashley High School wish you a very Merry Christmas and a Happy, Safe and Healthy New Year. School returns Tuesday 5<sup>th</sup> January 2021.

## COVID-19 UPDATE COVID-19 UPDATE COVID-19 UPDATE

## And Finally...

Please keep checking the website and Facebook page for any updates. Stay safe.

Please keep familiarising yourselves with the Covid-19 Absence; A Quick Guide for Parents. This can be found on the school website and newsletter link page.
