## Ashley Action!

**Year 11** have taken part in a taster day for Ashley 6<sup>th</sup> Form. Students participated in Catering, Gardening and Digital Media activities and have received information from Derek our Independent Travel Trainer.

**Year 9 students** have been learning about and making bread. Students have investigated how yeast is used in bread making and have explained the optimum conditions required.

**Apprenticeship Support by Be-More** visited 6th Form students this week. The team aims to grow the number of apprenticeships throughout the Liverpool City Region by providing FREE and impartial information, advice and guidance about Apprenticeships & Traineeships and delivering promotional events and activities. For more information visit: <https://be-more.info/>

**Gardening** Year 11 students have made delicious tomato soup recipes with the tomatoes produced by the 6<sup>th</sup> Form. Students made two different soups and tasted, compared and contrasted the finished products for correct seasoning, texture and consistency.

**Join Riverside College** for their Open Evening event on Tuesday 16th November 2021, 5pm – 7pm. You will be able to find information on the great range of Vocational courses and Apprenticeships that they have to offer on their website.

## Skills Challenge – Speaking

You have been challenged to tell a group of people up to 5 'fascinating facts' about yourself. Think about what they already know. What might you share with them, which will be new and interesting? Prepare a short speech to share in person or by recording. Encourage other family members to have a go and ask each other questions about the fascinating facts.
