Ashley Action!

During their recent PE lessons, Year 9 students took to the field to focus on athletics, specifically javelin and shot put. The outdoor sessions provided an excellent opportunity for students to refine their techniques and put their developing skills to the test.

Animal Care students recently completed their final practical assignment, focusing on the needs of Tatty, our school tortoise. The task involved a full habitat clean-out and a thorough check to ensure Tatty has all the essentials required for a happy, healthy life.

In Food Technology, 7SA were busy developing their pastry-making skills. Students successfully produced savoury cheese and tomato pinwheels alongside golden minced beef pasties, focusing on precise filling techniques and oven temperatures.

A huge well done to our Food Technology team! They've officially been awarded 5 stars for food hygiene, reflecting their hard work and high standards.

Year 7 students have been mastering Excel this week. They practiced their spreadsheet skills by inputting their favourite pizza toppings and calculating the total costs.

Our Year 11 Gardening Group have had a productive trip! The team headed over to B&M in Widnes to pick up new plants, compost and supplies to help spruce up the school garden. We can't wait to get planting and see the transformation!

Year 10 Hospitality and Uniformed Services students welcomed Laura, Senior Operations Manager at Esposito's, for an insightful guest speaking session. Laura shared expert advice on interview preparation, essential communication skills, and professional presentation skills, concluding the visit with an engaging Q&A session where students gained valuable industry perspectives.

Skills Builder Challenge – Teamwork

Research a culture that is different from your own. Create a poster celebrating what you have learnt. Your research could cover: people and events throughout history, food, art and popular culture.
