## Ashley Action!

**Snack Junction** Leading up to the Easter break, the students of 8LQ demonstrated impressive initiative by designing and running their own "Snack Junction" Mini Enterprise Project. Their efforts successfully generated £70 for the school snack bar. A special thank you to everyone who took part, particularly those who dressed up and made the project even more enjoyable.

**Personal Safety – Travel Training** 10RH have been learning about personal safety with Dawn (travel trainer). Personal safety aims to equip students with the skills and knowledge needed to navigate public transport and pedestrian areas safely, emphasising situational awareness, route planning and emergency procedures.

**Bread Making** In their food technology lesson, 7SA students embarked on a journey into bread making, acquiring skills and knowledge that ranged from fundamental food hygiene to the fascinating science of how bread works.

**Forest school** This term, Year 8 students are being introduced to Forest School through hands-on activities in woodcraft, shelter building, fire management, nature exploration, and rope work.

**Practical Learning** 8AC students have visited the local town centre and have looked at how their own businesses could develop. Ellie-May and Lucy have looked at a hair salon on Widnes Market.

**Year 10 DofE** In preparation for their 3-day visit to Queen Charlotte's Wood in Frodsham this May, Year 10 students have been practising essential camping skills, including setting up camp stoves and making simple treats like hotdogs and s'mores (toasted marshmallow and chocolate between digestive biscuits).

## Skills Builder Challenge – Leadership

What do you think makes a good leader? Draw this person. Can you tell they are good leader from your drawing? Now think of a person you know, or have seen on the TV or a book, who is a good leader. Draw them. Do they look like your first drawing? What is it that makes this person a good leader? What qualities do they have?
