## Ashley Action!

**Students in Year 8** have been learning about different types of pastry in Food Technology. This week students have made a selection of Sausage Rolls, Cheese and Onion Pasties, Cream Horns and Cinnamon Whirls to show different recipes using puff pastry.

**As part of their Youth Award course**, Year 12 students have produced PowerPoints and created traditional meals from another culture/country. Here is one of our students who decided to make a pizza from Italy.

**Mental Health Awareness Week** takes place from 10<sup>th</sup> to 16<sup>th</sup> May 2021. Immerse yourself in the '5 Ways to Wellbeing', which are key to improving our mental and emotional wellbeing, while reconnecting with nature across the week. For more information visit: <https://mentalhealth-uk.org>

**Gardening** Year 11 students have been busy restoring the 6<sup>th</sup> Form courtyard into a sensory woodland. Students have worked hard burning logs to plant succulents.

**Students in Year 12** have been learning how to maintain and clean the schools bikes. Students have completed basic checks - brakes, wheels, tyres and gears.

## And Finally...

Please keep checking the website and Facebook page for any updates. Stay safe.

Please keep familiarising yourselves with the Covid-19 Absence; A Quick Guide for Parents. This can be found on the school website and newsletter link page.
