15th July 2022

Ashley Action!

Welcome to our School Council It was great to see so many of our students standing for election this year! We look forward to welcoming our new Year 7's and 6th Form who will be elected in September. Congratulations to all those voted in as class reps and deputy reps for 2022-2023. All students that have been elected for School Council have been very enthusiastic with their thoughts and opinions and have taken great pride in representing the school. There have been many interesting ideas that we have started working on already. Well done!

6th Form students Year 12 students helped at the Cathie Stankevitch Sport's shop this week where they had to sort out stock and put products on display. The students enjoyed using their creative and teamwork skills to ensure that the shop was ready to open to customers. We are hoping to do more work with the Cathie Stankevitch Foundation in the next academic year.

Year 11 Duke Of Edinburgh Year 11 students were welcomed back to take part in the DofE Silver Award expedition. Students had to be self-sufficient in their teams. They planned their routes, did all their own navigating, carried their own camping equipment and supplies, cooked their own evening meals (on their camp stoves) and put up – and took down – their own tents.

Happy National Picnic Month! If you enjoy getting out of the house and eating outdoors then July is the month for you, as the whole of this month is National Picnic Month! There is something about the summer weather that brings out the relaxed in us all and what better way to wind down after a busy day/week at work or school than to slip on your sandals, pack up your picnic basket and head to the outdoors with your nearest and dearest. So get yourself outside this National Picnic Month, and with a whole month of celebrating ahead of you the culinary possibilities are Gastronomical!

Asda has announced that between 25th July - 3rd September all children under 16 can eat a hot or cold meal for £1 in their cafes all day everyday with no minimum adult spend. This is to help parents with the cost of living crisis during the summer holidays.

Finally, we wish all our students, parents, staff, governors and friends a restful and enjoyable summer holiday. See you in September!

Skills Challenge – Creativity

Create a piece of artwork using items from nature. For example, you could find fallen leaves, twigs or pine cones in a local park. Extension: before you stick anything down, arrange the nature items in different ways. How many different pieces of artwork can you make from the same set of items?
