### Ashley Action!

**MyBnk** Year 12 students were visited by MyBnk. MyBnk aims to build financial capability at key transitional moments, addressing mindsets, attitudes and behaviours to help young people form an understanding of the wider world of money. They also help form positive habits like saving and delayed gratification, connect the dots between public and personal finance and arm young people with practical money skills. This teaches them how to navigate the system and make informed decisions. Topics range from budgeting, banking and borrowing to student finance, tax and pensions.

**Charles Dickens** Students in 9JO have produced and presented a PowerPoint presentation. The Charles Dickens PowerPoint begins with an introduction to Dickens' most famous works. Students then tell the story of his life in stages, from his London childhood to his first successes as a writer.

**Halton Improvement Team** Welcome to the Autumn 2023 edition of the Healthy Schools Newsletter. News for schools can be found here: <https://padlet.com/HaltonHIT/iw9mrhyhqdhpilyc>

**Congratulations** to our new school council representatives and deputies 2023-2024. Each year, we allow two new school councillors from each class (Year 7–6th Form) to be elected. The school council aim to meet once a week with Mr. Jones to discuss action plans, new ideas and other matters. The School Council is very much student led and students take the minutes of each of our meetings and the conversations, ideas and inspiration are taken from them.

**Well done** to parents/carers, staff and students who donated cakes, money and biscuits to Macmillan Coffee Morning. The school raised over £300!

### Skills Builder Challenge – Aiming High

Pick something that you have completed or been successful at recently. It could be something you did at school or in a club, or something from home like cleaning your room or finishing a book. It can be a big success or something small that you are proud of. Make an award or certificate for yourself to celebrate your success. Share your success with a family member or friend.
