## Ashley Action!

**Practical Learning Making a hot drink** Students have practised making hot chocolate drinks for themselves. The first skill when making hot chocolate is following directions. This is an extremely important life skill for all students to learn.

**Fruit Kebabs** 7LA have been busy making yummy fruit kebabs dipped in a little chocolate in their Food Technology lesson. Students chopped up strawberries and grapes before making fruit sequences on each skewer. Patterning skills develop and students can identify patterns, noticing similarities and differences and creating repeating patterns are important skills for numeracy and literacy development.

**College Open Days** If any students are thinking of moving on after Year 11 or 6th Form, now is a good time for parents and carers to offer support by helping to research the different options. All colleges now have details of their open days on their websites, with most colleges having dates set in October and November. The open days are an excellent way to view facilities and talk to staff about courses and support available. Please see Mrs Banks if you need any help in identifying the different options available.

**9JO** have been learning facts about Japan. Students could draw a picture of the flag and give some interesting details about Japan as a country. Students even had a go at Origami, the Japanese art of paper folding.

**Congratulations** to former student Thomas who has graduated from De Montfort University with a degree in Drama. Well done!

**Please see** the newsletter link page for more information on upcoming events.

## Macmillan Coffee Morning Friday 29<sup>th</sup> September 2023

On Friday 29th September, Ashley High School will hold a Macmillan Coffee morning across the whole school! However, in order for this to be a success, we are asking for donations of cakes, cupcakes and biscuits which should be given to the School Office from Wednesday 27th September onwards. All donations gratefully received! Please provide your child with some money in a named envelope so they can have a cake and a drink. All proceeds will go to Macmillan Cancer Support. Please see the link below for information about the work of this fantastic charity:
