## Ashley Action!

**Many congratulations** to our students who represented our school and Merseyside in the regional schools bowling finals held in Bolton. The team finished in a very respectable fourth place out of 20 schools. We especially thank Ethan, who on his own received the highest score. To all of you, well done!

**Well done** to the Year 12 students who have successfully completed the Young Health Champions Level 2 Award. With this certification, students will be able to offer peer support by understanding the social and personal factors that influence both healthy and unhealthy behaviour.

**The league for Salford ability** counts has resumed! When our students played on March 1st, they gave it a good go. Our school is proud of you. Congratulations to all of you.

**Ashley High School Darts Competition** If you would like to register and take part in our Darts competition, please bring £1 and write down your darts name with your form tutor. Darts will take place in the hall on Monday 11th and Tuesday 12th March. There will be a prize for the overall winner. Good luck to everyone who takes part!

**Curling** Year 7 students took part in the Panathlon Curling competition. Panathlon is a national charity that gives young people with disabilities and special educational needs every year the opportunity to take part in competitive sport. In 2022/23, a record 62,981 students took part in their events - either competitions held externally with other schools or in school through a Virtual Programme.

## Skills Builder Challenge – Listening

Demonstrate your listening skills by playing a game of 'Simon Says' with your family or friends. Pick another member of your family or friends to be 'Simon'. Everyone else must follow Simon's instructions but only when they say 'Simon says…'. For example, if 'Simon says touch your nose', you touch your nose. However, listen carefully because if the person does not say 'Simon says' you do not need to do it.
