Ashley Action!

Once again thank you to everyone who supported Macmillan Coffee Morning on Friday 24th September. We have raised just under £300! Your support has raised vital funds for people living with cancer.

It's good to grow from Morrison's We are collecting tokens for our school. For every £10 spent in store or online, you will get one Grow Token that our school can then redeem for a wide range of gardening and growing equipment. Download the MyMorrisons app today to take part.

Skills Builder Launch We are excited to begin delivering our Skills Builder Programme this term. We will be working with The Skills Builder Partnership to deliver the programme. The Skills Builder Partnership includes over 450 schools and colleges, 130 impact organisations and 100 top employers - working collectively towards the mission that one day; everyone will build the essential skills to succeed. These eight skills are listening, Speaking, Problem Solving, Creativity, Staying Positive, Aiming High, Leadership and Teamwork. Each week we will include a "Skills Challenge". We would love for you and your children to take part in the challenge and to give us feedback on your progress. You can email any images/videos and feedback to nicolalightfoot@ashleyhighschool.co.uk

Skills Challenge - Creativity

Look at a map of the world. Choose a country that interests you. Find out about the food of that country. Imagine you have been asked to design a menu, which includes food from that country. Which foods might you include on that menu? How many different ideas can you come up with? Create an example menu and include pictures of the dishes to show your family. You may want to challenge them to choose another country and do the same. Send in pictures and we will share on the 'Newsletter' link page.
