Norton Priory Brewery Year 14 students visited had an interesting look around a local Brewery. Students looked at the brewing process of making beer such as weighing out the ingredients, beer production, bottling and packaging and finally, the distribution of the finished product.

Skills Builder Challenge – Creativity

Create a dance routine for you and your family. Think about what music you will use. Will it be fast or slow? What dance moves do you know? Can you ask family members to show you some of their best dance moves? If you can, perform the dance routine together in front of some friends.
