6th Form Achiever Of The Week – K.Crimmins

Ashley Action!

As part of 'British Sandwich' week 9KD have designed and made hot sandwiches grilled (or toasted), panini and hot wraps, there was so much to choose from for our students to come up with their own hot sandwich. Here are Will and Mason with their design.

Will chose a cheese and ham panini and Mason did a mega breakfast wrap.

Snack Bar 8JF has done a great job in running our school snack bar, which is on every Tuesday. As a class, they have shown excellent teamwork and leadership skills.

GCSE Exams Wishing our Year 11 and 6th Form the very best for the GCSE examinations. All we or anyone can ask is that you do your very best.

A big thank you to Mrs Hughes, who has donated a selection of plants to our school. 6th Form students were busy planting them as part of their Vocational Studies course.

Year 12 had a tour of the Stobart Stadium as part of their Workplace Tasters. Students found out what jobs they could do there, the key skills needed for each specific job and what aspects they would/would not enjoy about the job role.

Please keep checking the school website for upcoming activities and events.

Skills Builder Challenge – Aiming High

This week, set yourself a new challenge. It might be to: learn the rules of a new game, learn how to play a new piece of music, try a new sport or exercise, get up (or go to bed) earlier, cook something new, start a new book by an author you've never read before, reduce your screen time or something else totally different and new! How does it feel to be out of your comfort zone?
