Ashley Action!

Employers we need you! We are keen to develop our work experience programme and employer input into our careers programme. If your company or anybody that you know is able to offer any of the following activities: Tours of the company, talks to students about your job role/company, or any other ideas, please get in touch with Vicki Banks.

Happy National Picnic Month! If you enjoy getting out of the house and eating outdoors then July is the month for you, as the whole of this month is National Picnic Month! What better way to wind down after a busy week at work/school than to slip on your sandals, pack up your picnic basket and head to the outdoors. Get yourself outside this National Picnic Month and start celebrating!

Students in Year 12 have been learning about CPR - cardiopulmonary resuscitation and AED - automated external defibrillator. Students have learnt life-saving skills, including how to administer CPR and the purpose of defibrillators and when one might be needed.

Holiday Activity fund- SEND project Summer Activities Please see attached leaflet about summer activities. Please note this is for students in receipt of free school meals.

6th form students have been busy over the last couple of weeks preparing and making cakes/biscuits to be sold in the Cyber Café as part of their vocational studies course. Students have learnt that teamwork is a crucial skill in the workplace and have demonstrated that they can work effectively as a team. Well done to you all!

And Finally...

Please keep checking the website and Facebook page for any updates and keep familiarising yourselves with the Covid-19 Absence; A Quick Guide for Parents. This can be found on the school website and newsletter link page. Stay safe.
