Ashley Action!

PE Year 11 students have planned and delivered a PE lesson to Year 8 students. Tag Rugby was the lesson planned and students have both planned and taken part in a successful Tag Rugby Match!

A big well done to 8MS students who have really worked hard in the running and serving of the school snack bar. Students enjoyed a well-deserved break with sausage barm.

Students have been enrolled in an online library service. The online Library gives you access to many different eBooks, ejournals and databases, to assist students in their studies. Please see Mrs Quinn if you require your log in details.

Art Year 7 students have made amazing mosaic art designs using a roman soldier head as an outline. Students used similar colours for each section. For example, students used a range of reds and oranges for the feathers then blues and silvers for the helmet. Here is Logan, Jacob and Nathan proudly showing their work off!

On Friday 9th June, Year 9 students will welcome Andy Briggs to school. Andy is a very successful author and screenwriter who has worked on several film and tv projects. He created the hugely popular HERO.COM and VILLAIN.NET book series. For more information, please contact Mrs Quinn or Mrs Leigh.

Before the Easter holidays we arranged a cake sale so that we could raise money to buy extra resources for students to use at break and lunch times. We raised a massive £283! We would like to thank parents, staff and students for all cakes donated and made. Please see our poster on the website/Newsletter link page.

Skills Builder Challenge – Teamwork

Imagine a new neighbour has moved into your area. Who would you take with you to greet them? What could you do to make them feel welcome? How could you find out more about them?
