Ashley Action!

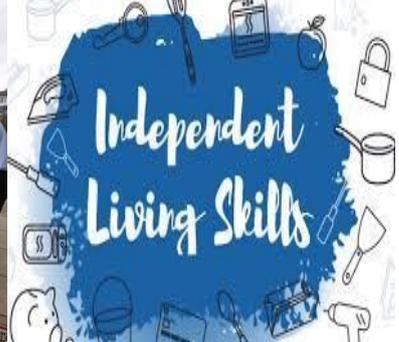

Welcome back to Ashley High School It is a great privilege to welcome back all students to the start of the new school year, in particular those who are new to Ashley High in year 7 and in other year groups. A very warm welcome also to all new teachers and other staff. Likewise, we welcome you to the school and hope your time with us is both rewarding and successful.

Year 11 student Dylan has been displaying his guitar skills playing various songs and chords. Keep up the great work!

Roald Dahl Day To commemorate him and his achievements, Roald Dahl Day happens every year on his birthday - September 12th - celebrating the magic that he brought and continues to bring to children everywhere. This week students have been working on creating their own unique characters and giving them special skills to stand out.

Gardening Year 11 students have been working very hard keeping the planters at school neat and tidy. This week's task was to cut back the lavender bush and tie up the lavender so that we can dry it out. Well done to all students for all your hard efforts!

Independent Living Year 8 students have been learning dressing skills including tying shoe laces and tying a school tie. Learning to look after yourself is an essential life skill and the first step to independence. At secondary school age, these skills include kitchen skills - making a drink, making a snack or preparing a meal and managing money - understanding money, budgeting and saving.

And Finally...

Macmillan Coffee Morning: On Friday 24th September, we will be hosting a coffee morning in school. Unfortunately, due to Covid19 we are only serving to students and staff. Hot drinks and cakes will be available to purchase and all of the proceedings will go towards Macmillan Cancer Support. If you are able to donate a cake/biscuits, please send them into school on the morning of Thursday 23th/Friday 24th September. Thank you for your support!
