## Ashley Action!

**Home Cooking Skills Assessment** Congratulations to Sam and Jacob on successfully passing their home cooking skills assessments. Both students demonstrated excellent culinary independence, each preparing their starter and dessert menu.. Sam impressed featuring handmade prawn toast, while Jacob showcased his skills with a classic banana split. A fantastic effort by both.

**Uniformed Services Fire Safety in Action** Our Uniformed Services students recently stepped out of the classroom to conduct a professional Fire Safety Audit. As a key part of their course, the group carried out a thorough inspection of the premises, identifying potential hazards and ensuring emergency exits were clear. This hands-on experience gave them a real-world look at the discipline and attention to detail required for a career in the emergency services. Great job to all involved for helping keep our environment safe!

**Victory on the Pitch** Our school football team traveled to Greenbank School in Liverpool for a fantastic tournament against several other special schools. The team displayed incredible sportsmanship and determination throughout the day, playing some of their best football yet. After a series of tough matches, they fought their way to the top and won the final! We are incredibly proud of the players for representing the school so brilliantly.

**Our Year 9 students** recently visited Formby Beach to help clean up the coastline. They did a fantastic job picking up litter and helping to protect the local environment. A huge well done to everyone involved for their hard work and for representing the school so well

**A Heartfelt Thank You to Widnes Services Club** We would like to extend a huge thank you to the Widnes Services Club for their incredible generosity. They have raised an outstanding £3,700 toward our new sensory path! This fantastic contribution brings us so much closer to completing this vital project, which will provide a calming and stimulating outdoor space for our students. We are overwhelmed by the support of our local community—thank you for helping us make this vision a reality.

**Wishing all our students and families** a wonderful and relaxing February half-term break. We hope you enjoy the week off and find some time to recharge. We look forward to seeing everyone back at school on Monday, 23rd February 2026.

## Skills Builder Challenge – Leadership

Invite everyone in your household to make a suggestion for a meal to cook one evening this week. Can you manage the discussion so that everyone gets a chance to share his or her ideas and opinions in a fair way and come up with a way of making a group decision together?
