Ashley Action!

Liverpool's World Museum 9JO went to the World Museum, one of Liverpool's oldest museums and galleries, as part of their Practical Learning lessons. Students had the chance to observe the physical sciences, natural history, world cultures and antiquities.

9L Football Tournament Congratulations to all of the 9L students who raised £57.00 for Alder Hey Children's Hospital. Students put a lot of effort into planning this activity, which the entire school participated in.

Music Concert Students in KS3 participated in a workshop on festival music. Students had the opportunity to participate in dance, music, and culture. These kinds of interactive, enjoyable workshops can incorporate drumming, singing, and dancing.

Careers Day/Fair Year 10 and 11 Students attended a careers fair for the entire day. Students can meet local colleges, training providers and employers at this event. Students can find out what companies do, what careers are available, and what courses and training programmes they can apply for.

Students in the 6th form have been delivering charity buckets to local businesses in an effort to continue raising money for our "Sensory Path". Local businesses Tastee and Co-op were visited.

Skills Builder Challenge – Listening

Listen carefully as someone tells you a short story or reads one out loud. Now, try to put the events of the story in the correct order, or retell the story in your own words.
