Ashley Action!

Rocky Road 7SA students eagerly engaged in the process of creating rocky road. From crushing biscuits to melting chocolate and mixing in marshmallows, the activity fostered teamwork and hands-on learning. Students carefully combined their ingredients and poured into trays to serve up their delicious, homemade treats.

RSE Year 10 Students have been participating in RSE lessons focused on consent, exploring its meaning and importance in healthy relationships. Discussions have covered topics like freely given, enthusiastic, and ongoing consent, as well as the significance of respecting boundaries and recognising when consent is not present. The lessons aim to equip students with the knowledge and skills to navigate relationships responsibly and respectfully.

In their independent travel training, Year 10 students have focused on identifying safe seating areas on public buses. This includes understanding the benefits of sitting near the driver, avoiding obstructed areas, and being aware of emergency exits. These lessons are designed to build confidence and ensure students can travel safely and independently.

Victoria Park Year 7 students successfully completed a supervised walk to their local park, demonstrating safe pedestrian practices. They practiced road safety, including crossing at designated points and staying aware of traffic, while also navigating public spaces responsibly. This outing reinforces independent travel skills and promotes community awareness.

Home Cooking Skills Archie in Year 10 has successfully completed his second assessment of pork stir fry towards his Home Cooking Skills qualification. Archie demonstrated sound knowledge of his knife skills and was able to correctly pick the right coloured chopping board for specific jobs. Well done Archie we are proud of you!

Eloise from Year 10 has crafted this remarkable whale shark at home, dedicating her own time to the project. Using papier-mâché and meticulously applied paint, she achieved a stunningly realistic representation of the creature. Fabulous work Eloise!

Creative Family Morning at Halton Lea Library this Saturday. Join Digital Arts for a morning full of FREE creative fun for families in Halton. LEGO building, 3D pen crafts, digital art, colouring in, games and much more! There will also be free refreshments!

Skills Builder Challenge – Teamwork

With your friends or family, create a storybook. One person starts the story with an opening sentence, and each person adds a sentence or two to continue it.

Once the story is finished, you can illustrate the scenes as a team, with each person drawing different parts of the story.
