6th Form Student Achiever Of The Week – N.Bell

Ashley Action!

This week saw yet another successful Home Cooking Skills assessment. This amazing three-tiered chocolate cake was made and baked by Ava in Year 10. Because of her exceptional weighing, measuring, and self-reliance, Ava passed her evaluation. Excellent work!

Maths Snack Bar Data 11GG came into Snack Bar to ask 8AC students what goods we sell so that they could create a questionnaire to ask the entire school about what they buy and then compile the data to determine which items were popular.

Enterprise Project 9JO students are preparing a Christmas movie afternoon to generate donations for our school's sensory path. This week, they presented Mrs Lightfoot with a PowerPoint presentation to pitch their ideas and get input on what they needed further to make their afternoon a success.

Litter Picking 8LQ students patrolled the school grounds and selected an area they believed required cleaning due to litter. Students worked hard to keep our school clean and neat.

ITT learning about various crossings Dawn, our Independent Travel Trainer, visited students in 10RH to discuss the various road crossings. We talked about what is a pedestrian crossing, where would you find a pedestrian crossing, when should you use a pedestrian crossing and how many different sorts of crossings are there?

Dodgeball competition in Year 10 As part of their reward time, excited Year 10 students participated in a friendly game of dodgeball. The players had a great time and showed wonderful sportsmanship.

Anti-bullying week Choose Respect. Students were encouraged to wear odd socks to celebrate what makes us all unique. Anti-Bullying Week is an annual UK event, held in the third week in November which aims to raise awareness of bullying of children and young people, in schools and elsewhere and to highlight ways of preventing and responding to it.

Skills Builder Challenge – Problem Solving

You are in charge of planning a birthday party for a friend. You have a limited amount of money and time. How will you make sure everyone has fun? Think about the activities, food, and decorations you could use.
