6th Form Student Achiever Of The Week – J.Halfpenny-Bell

Ashley Action!

Year 12 students are working with a Health Improvement Practitioner to become Youth Health Champions. They will be working towards a qualification that will cover all aspects of health and wellbeing and encourage them to speak out about how they can support others to live a healthy life.

Halton Health Improvement Team 7CB have been learning about healthy eating and the importance of being active. Students looked at food and drink and deciphered which we would have more often and which we should have just sometimes as treats.

Home Cooking Skills Well done to Thomas in 10RH for completing his assessment. Thomas chose the correct equipment and ingredients, weighed and measure accurately, rolled the dough out neatly and presented his pizza in a box.

Jenna from Be More Apprenticeships and Melanie from the LEA Supported Internship team have been in school to deliver workshops to Year 12's about their post 16 options. In order to prepare for the future and make wise decisions, students are investigating all of their options after Ashley 6th Form.

Animal Care Students in Year 10 had special visitors in their Animal Care course. Meerkats Lilo and Stitch visited and Mr Hanlon discussed their habitat, diet and behaviour in the wild.

Got your back delivered a workshop to Year 10 and 11 girls. The theme of the Workshop was 'Friendship'.

Skills Builder Challenge – Creativity

Imagine you can have any pet in the world, even if it does not exist: what pet would you have? Draw your pet and describe it. What does it eat? Where does it live?
