Ashley Action!

Children in Need Well done to all students who took part in Children in Need by wearing their dressing gowns to school to help raise money for children across the UK who need it the most.

Well done to Year 11 with their mock exams. Mock exams allow both students and teachers to measure progress and identify where improvements need to be made. They enable students to experience an exam situation and serves as a reminder that exams are on the horizon, giving students a nudge towards organisation and preparation.

6th form students had a tour of Veolia and learnt about what they can recycle at home and to recycle right, what is contamination (wrong things put in the recycling bins), the journey of recycling from your home to its final destination and a unique tour of the Materials Recovery Facility where they saw recycling in action.

Mosaic Effect Sunflower Van Gogh's famous Sunflower is one of the most recognizable art subjects in a classroom. Students in Year 8 have created many types of flowers using oil pastels to produce their very own personalised sunflower.

Road Safety Week The theme of Road Safety Week 2022 is SAFE ROADS FOR ALL, bringing together communities and professionals to shout out for everyone's right to make safe and healthy journeys on safe roads. To raise awareness of key areas of road safety the Government supports, including safe roads, safe vehicles and speeds, the new hierarchy of road users and the importance of inclusivity to keep us all safe on the roads, no matter who we are, or how we travel.

A reminder to all students and staff that recycling bins (blue) are for plastic, paper etc. and bins with a black bin bag in are for food waste in classrooms. Thank you!

Well done
Year 11!

Skills Builder Challenge – Speaking

Create a sock puppet, using an old sock and spare buttons. Tell a story using your puppet. What voice might the puppet have? What sort of story might they tell?
