Ashley Action!

Community Creativity: Designing for Esposito's! Students across the year groups have been unleashing their culinary creativity in an exciting new project! Taking inspiration from the local community, they have been working hard to design a new Ice Cream, Coffee & Panini for Esposito's in Widnes. We were thrilled to welcome Laura from Esposito's into school to judge our Year 10 catering challenge! Laura had the delicious (but difficult) task of taste-testing our students' creations to award certificates for the very best iced coffee, panini and ice cream. After much deliberation, she crowned our winners: congratulations to Jamie, Jayden and Sam, who each took home a certificate for their outstanding items. A huge thank you to Laura for her time and expert feedback!

Year 8 Play Career Detectives! Last week, Year 8 had a great time guessing the jobs of our guest speakers. By asking clever questions, they practiced their listening and speaking skills to figure out each career. They did a brilliant job uncovering roles like a paramedic, chef, social media manager, bus company manager—and they even guessed the tax inspector! Well done, Year 8! The employers were highly impressed by your great energy and knowledge.

Huge congratulations to Nina in 7CB who spent her own break and lunch times completing a massive jigsaw puzzle, showing incredible patience, determination and a refusal to give up until the final piece was in place!

7CB students recently used their German skills to solve a fun picnic challenge! Working from a German shopping list, they decoded clues to find out which foods belonged in their baskets. From spotting Käse (cheese) to tracking down Brot (bread), it was a great, high-energy way to practice their vocabulary. Es war ausgezeichnet!

And finally, as we reach the end of a fantastic school year, we want to wish all of our students, parents and staff a wonderful and relaxing summer holiday. Thank you for all of your hard work, enthusiasm and support over the past year. We hope you have a safe, fun and restful break and we look forward to welcoming everyone back in September for another exciting year ahead!

Skills Builder Challenge – Staying Positive

Either write down or draw a picture showing what Staying Positive means to you. For example, it could mean someone managing their emotions following a setback, or looking on the bright side of a difficult situation.
